

Osland Piping Supply

Wheeler Rex KwikSnap #2500

The Wheeler Rex KwikSnap #2500 when equipped with the optional #2425 KwikSnap table and accessories is a semi-automatic cast iron soil pipe production cutter. It is capable of cutting 1-1/2" - 6" soil pipe fast, easy & safely.

- 4 times faster than conventional cutters, 10 times faster than chop saws
- Five second cutting cycle times—all sizes
- Unique chain design eliminates resetting for each cut on same size
- Faster, cleaner & quieter than sawing
- Dual pressure switches for safety
- Optional KwikSnap table & accessories for shop fabrication efficiency
